Dear Applicant:

The Secretary invites new grant applicants for Fiscal Year (FY) 2008 under the Centers for Independent Living (centers) program, authorized by Part C, Chapter 1 of Title VII (Part C) of the Rehabilitation Act of 1973, as amended (Act). We are sending you an application package containing information necessary to apply for a FY 2008 grant.

The Secretary is authorized to make grants to eligible entities for planning, conducting, administering, and evaluating centers. Eligible entities are consumer controlled, community-based, cross-disability, nonresidential private nonprofit agencies, in or bordering on States in which the entities plan to establish centers. An entity presently operating a center supported by Part C may apply in this competition to establish another center in a different geographical area. This new center must meet all of the criteria of a center with the exception that it may share a governing board with the original center.

An application must contain information that: (1) satisfactorily demonstrates to the Rehabilitation Services Administration (RSA) that the applicant entity meets the standards described in Section 725(b) of the Act; (2) contains the assurances described in Section 725(c) of the Act; and (3) is consistent with the State plan for independent living in the State in which it plans to provide independent living services.

Part C funds were assigned to States and outlying areas based on a formula in Section 721(c) of the Act. Priorities for funding Part C centers were established by Section 722(e) of the Act. The first priority for the funds was to support existing Part C centers at the prior year's level. If funds were available, these centers were assigned a cost-of-living increase. In every State or outlying area with funds remaining after supporting the first two priorities, RSA contacted the Statewide Independent Living Council (SILC) and the Designated State Unit (DSU) to obtain the SILC's and the DSU's choice, consistent with the State's plan, for the use of remaining funds. The States had the option to either compete the remaining funds or distribute the remaining funds among the existing Part C centers. States (DSU and SILC) choosing to compete the remaining funds provided the priority area(s) for the establishment of new centers.

The following States requested a competition with the amount of remaining funds listed after each State or outlying area:

American Samoa - \$154,046

A summary of the responses received and pertinent information from the State's approved State Plan for Independent Living regarding the priority areas for new centers are included in Section I of this application package. RSA will fund applications consistent with the State Plan for Independent Living priorities in Section I.

Application Procedures

This package contains instructions and forms for preparing an application. Please review these materials carefully. Your application must comply with each requirement and be received by the Department by the application deadline date specified on the front cover.

Applications for grants under this competition must be submitted electronically using the Grants.gov Apply site (www.Grants.gov). Please read carefully the document that we have included immediately following this letter, which includes helpful tips about submitting electronically using the Grants.gov Apply site. Please note that you must follow the Application Procedures as described in the Federal Register notice announcing this grant competition. Information (including dates and times) about how to submit your application electronically, or by mail or hand delivery, can also be found in Application Transmittal Instructions and Requirements for Intergovernmental Review of this application package.

You may submit a written waiver of electronic submission requirement. In your request, you must explain the reason or reasons that prevent you from using the Internet to submit your application. Address your request to: Thomas Kelley, U.S. Department of Education, 400 Maryland Avenue, SW., room 5042, Washington DC 20202-2800. Please submit your request no later than two weeks before the application deadline date. Your paper application must be submitted in accordance with the mail or hand delivery instruction in this Notice.

Regulations for this program are contained in 34 CFR parts 364 and 366. The Secretary will evaluate each application for a new center under this program by using the selection criteria in 34 CFR 366.27 (Section E). The selection criteria may also be found in Section D of this packet.

Grants funded under this program are also subject to the requirements of the Education Department General Administrative Regulations (EDGAR), which set forth all general rules affecting application submittal, review, grant award, and post-award administration for Department of Education grant programs. These regulations were published in the FEDERAL REGISTER at 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, and 97. In addition, the Department requires the applicant to provide a Disclosure of Lobbying Activities form, a Certification Regarding Lobbying Activities form and a Certification Regarding Lobbying for Grants and Cooperative Agreements form.

Thank you for your interest in the centers program. If additional information is needed, contact Thomas Kelley at (202) 245-7404.

Sincerely,

/s/

4. Intergovernmental Review: This competition is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this competition.

Funding Restrictions: We reference regulations outlining funding restrictions in the Applicable Regulations section in this notice.

6. Other Submission Requirements: Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications.

Applications for grants under the Centers for Independent Living program, CFDA Number 84.132A, must be submitted electronically using the Governmentwide Grants.gov Apply site at <http://www.Grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under Exception to Electronic Submission Requirement.

You may access the electronic grant application for the Centers for Independent Living program at <http://www.Grants.gov>. You must search for the downloadable application package for this competition by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.132, not 84.132A).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no

later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received--that is, date and time stamped by the Grants.gov system--after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov at <http://e-Grants.ed.gov/help/GrantsgovSubmissionProcedures.pdf>

- To submit your application via Grants.gov, you must complete all steps in the Grants.gov registration process (see http://www.grants.gov/applicants/get_registered.jsp). These steps include (1) registering your organization, a multi-part process that includes registration with the Central Contractor Registry (CCR); (2) registering yourself as an Authorized Organization Representative (AOR); and (3) getting authorized as an AOR by your organization. Details on these steps are outlined in the Grants.gov 3-Step Registration Guide (see <http://www.grants.gov/section910/Grants.govRegistrationBrochure.pdf>). You also must provide

on your application the same D-U-N-S Number used with this registration. Please note that the registration process may take five or more business days to complete, and you must have completed all registration steps to allow you to submit successfully an application via Grants.gov. In addition you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information--Non-Construction Programs (ED 524), and all necessary assurances and certifications. Please note that two of these forms--the SF 424 and the Department of Education Supplemental Information for SF 424--have replaced the ED 424 (Application for Federal Education Assistance).

- You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will

retrieve your application from Grants.gov and send a second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, DC time, on the application deadline date, please contact the person listed under For Further Information Contact in section VII in this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30:00 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed

to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Grants.gov system;

and

• No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Thomas Kelley, U.S. Department of Education, 400 Maryland Avenue, SW., room 5055 Potomac Center Plaza, Washington, DC 20202-2800. FAX: (202) 245-7593.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

V. Application Review Information

1. Selection Criteria: The selection criteria for this competition are from 34 CFR 366.27 and are listed in the application package.

2. Review and Selection Process: An additional factor we consider in selecting an application for an award is the comments regarding the application, if any, by the State Independent Living Council in the State or territory in which the applicant is located.

VI. Award Administration Information

1. Award Notices: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notice (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the Applicable Regulations section in this notice.

We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section in this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. Reporting: At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR

75.720 (c). For specific requirements on reporting, please go to

<http://www.ed.gov/fund/grant/apply/appforms/appforms.html>

4. Performance Measures: Pursuant to the Government Performance and Results Act of 1993 (GPRA), the Department measures outcomes in the following three areas to evaluate the overall effectiveness of projects funded under this competition: (1) the effectiveness of individual services in enabling consumers to access previously unavailable transportation, appropriate accommodations to receive health care services, and/or assistive technology resulting in increased independence in at least one significant life area; (2) the effectiveness of individual services designed to help consumers move out of institutions and into community-based settings; and (3) the extent to which projects are participating in community activities to expand access to transportation, health care, assistive technology and housing for individuals with disabilities in their communities. Grantees will be required to report annually on the percentage of their consumers who achieve their individual goals in the first two areas and on the percentage of their staff, board members, and consumers involved in community activities related to the third area.

SECTION B

GENERAL INFORMATION ON COMPLETING AN APPLICATION

GENERAL INFORMATION ON COMPLETING AN APPLICATION

Potential applicants frequently direct questions to officials of the Rehabilitation Services Administration (RSA) regarding application notices and programmatic and administrative regulations governing various direct grant programs. To assist potential applicants, RSA has assembled the following most commonly raised questions.

CAN WE GET AN EXTENSION OF THE DEADLINE?

No. A closing date may be changed only under extraordinary circumstances. Any change must be announced in the FEDERAL REGISTER and apply to all applicants. Waivers for individual applications **cannot** be granted, regardless of the circumstances.

IF I SUBMIT IN PAPER FORMAT, HOW MANY COPIES OF THE APPLICATION SHOULD I SUBMIT?

An original and six copies are requested (7 copies to the Application Control Center). Current government-wide policy is that only an original and three copies need to be submitted. The Rehabilitation Services Administration would appreciate your including four additional copies of your application to facilitate the peer review process (seven copies in all).

SHOULD APPLICATIONS SUBMITTED IN HARD COPY BE BOUND?

Leave at least one copy of your application unbound to facilitate any necessary reproduction; use a binder clip or sturdy rubber bands to hold the application together. Applicants should not use foldouts, photographs, or other materials that are hard to duplicate.

WILL YOU HELP US PREPARE OUR APPLICATION?

We are happy to provide general program information. Clearly, it would not be appropriate for staff to participate in the actual writing of an application, but we can respond to specific questions about application requirements, evaluation criteria, and the priorities. Applicants should understand that this previous contact is not required nor does it guarantee the success of an application.

WHEN WILL I FIND OUT IF I'M GOING TO BE FUNDED?

You can expect to receive notification within 3 to 6 months from the application closing date, depending on the number of applications received and the number of competitions with closing dates at about the same time.

ONCE MY APPLICATION HAS BEEN REVIEWED BY THE REVIEW PANEL, CAN YOU TELL ME THE OUTCOME?

No. Every year we are called by a number of applicants who have legitimate reasons for needing to know the outcome of the review prior to official notification. Some applicants need to make job decisions, some need to notify a State or local rehabilitation program, etc. Regardless of the reason, because final funding decisions have not been made at that point, we cannot share information about the review with anyone.

HOW LONG SHOULD AN APPLICATION BE?

The Department of Education is making a concerted effort to reduce the volume of paperwork associated with program applications. Consequently, the Secretary strongly requests that applications be limited to:

- (1) Application forms, budget, and other required forms;
- (2) A narrative body not to exceed 35 double-spaced pages in 12-point font; and
- (3) Necessary appendices.

Your application should provide enough information to allow the review panel to evaluate the significance of the project against the criteria of the competition. It is helpful to include in the appendices such information as:

- (1) Staff qualifications. These should be brief. They should include the person's title and role in the proposed project and contain only information relevant to the proposed project. Qualification of consultants and advisory council members should be provided and be similarly brief. Individual vita should not exceed 2 pages.
- (2) Summary of results of previous evaluations of program effectiveness.

Applicants must understand that applications may be rejected for including superfluous information as well as for not providing required information.

HOW CAN I BE SURE THAT MY APPLICATION IS ASSIGNED TO THE CORRECT COMPETITION?

Applicants should clearly indicate in Block 10 of the face page of their application (Standard Form 424) the CFDA number and alpha suffix (e.g., 84.132A) and the title of the program priority of the competition in which the application should be considered. If this information is not provided, your application may inadvertently be assigned and reviewed under a different competition from the one you intended.

Also, ensure that section 12 of Standard Form 424 clearly shows the State and geographic area in which the center plans to serve. If a center is planning to serve a contiguous area in two States, a separate application must be submitted for each State.

WILL MY APPLICATION BE RETURNED IF I AM NOT FUNDED?

We no longer return original copies of unsuccessful applications. Thus, applicants should retain at least one copy of the application. Copies of reviewer comments will be mailed to applicants who are not successful.

HOW SHOULD MY APPLICATION BE ORGANIZED?

The application narrative should be organized to follow the exact sequence of the components in the instructions addressing the program narrative. A table of contents and a one-page abstract summarizing the project should precede the application narrative.

IS TRAVEL ALLOWED UNDER THESE PROJECTS?

Travel is an allowable cost. However, all requests for travel will be reviewed diligently; the highest priority for travel will be given for travel directly related to the training or services being provided. As a general rule, travel is seldom approved for attending conferences, except for RSA sponsored conferences that project directors are requested to attend. Training for staff and governing board members will usually be approved for travel to training conducted by the RSA Training and Technical Assistance grantee and to the annual training conference sponsored by the National Council on Independent Living.

MAY AN APPLICANT OBTAIN COPIES OF SUCCESSFUL, FUNDED APPLICATIONS?

Yes. An applicant may request copies of successful, funded applications. However, budget information, vitae, and other personal information will not be included.

IS THERE A REQUIRED MATCHING OF FUNDS BY THE APPLICANT?

There is no required match in the Part C program; however, a plan for development of resources from other than Title VII of the Act is required as part of a center's work plan.

IF MY APPLICATION RECEIVES A HIGH SCORE FROM THE REVIEWERS, DOES THAT MEAN THAT I WILL RECEIVE FUNDING?

No. It is often the case that the number of applications scored highly by the reviewers exceeds the dollars available for funding projects under a particular competition. The order of selection, which is based on the scores of the applications and other relevant factors, determines the applications that can be funded.

WHAT HAPPENS DURING NEGOTIATIONS?

During negotiations technical and budget issues may be raised. These are issues that have been identified during panel and staff review and require clarification. Sometimes issues are stated as “conditions”. These are issues that have been identified as so critical that the award cannot be made unless conditions are met. Questions may also be raised about the proposed budget. Generally, these issues are raised because there is inadequate justification or explanation of a particular budget item, or because the budget item seems unimportant to the successful completion of the project. If you are asked to make changes that you feel could seriously affect the project’s success, you may provide reasons for not making the changes or provide alternative suggestions. Similarly, if proposed budget reductions will, in your opinion, seriously affect the project activities, you may explain why and provide additional justification for the proposed expenses. An award cannot be made until all negotiation issues have been resolved. For this competition, RSA will negotiate 5-year budgets with the successful applicants.

IF MY APPLICATION IS SUCCESSFUL CAN I ASSUME I WILL GET THE PROJECTED BUDGET AMOUNTS IN SUBSEQUENT YEARS?

Depending on the availability of funding, a successful applicant can expect at least the amount contained in the approved budget for each year of the project. By requesting detailed budget information in the initial application for the total project period, the need for formal non-competing continuation applications in the remaining project years will be eliminated. An Annual Performance Report that will be required annually will be used to assess compliance with program standards and to determine eligibility for continued funding.

HOW DO I PROVIDE AN ASSURANCE?

Simply state in writing that you are meeting, and intend to continue to meet, a prescribed requirement.

WHERE CAN I OBTAIN COPIES OF THE FEDERAL REGISTER, PROGRAM REGULATIONS, AND FEDERAL STATUTES?

Copies of these materials can usually be found at your local library. If not, they can be obtained from the Government Printing Office (GPO) by writing to: Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402-9371. Telephone: (202) 783-3238.

Internet users can gain free access to the GPO databases with a World Wide Web browser through the Superintendent of Documents’ home page at: <http://www.gpoaccess.gov/index.html> or with WAIS client software. Internet users can also telnet to swais.access.gpo.gov then login as a guest. Dial-in users should use a modem to call 202-512-1661; type swais and then login as guest.

APPLICATION TRANSMITTAL INSTRUCTIONS

IMPORTANT – PLEASE READ FIRST
U.S. Department of Education
Grants.gov Submission Procedures and Tips for Applicants

To facilitate your use of Grants.gov, this document includes important submission procedures you need to be aware of to ensure your application is received in a timely manner and accepted by the Department of Education.

ATTENTION

Applications submitted to Grants.gov for the Department of Education will be posted using Adobe forms. Therefore, applicants will need to download the latest version of Adobe reader (at least Adobe Reader 8.1.2). Information on computer and operating system compatibility with Adobe and links to download the latest version is available on Grants.gov. We strongly recommend that you review these details on www.Grants.gov before completing and submitting your application. In addition, applicants should submit their application a day or two in advance of the closing date as detailed below. Applicants will no longer need to use the PureEdge software to create or submit an application. If you have any questions regarding this matter please email the Grants.gov Contact Center at support@grants.gov or call 1-800-518-4726.

- 1) **REGISTER EARLY** – Grants.gov registration may take five or more business days to complete. You may begin working on your application while completing the registration process, but you cannot submit an application until all of the Registration steps are complete. For detailed information on the Registration Steps, please go to: http://www.grants.gov/applicants/get_registered.jsp. [Note: Your organization will need to update its Central Contractor Registry (CCR) registration annually.]
- 2) **SUBMIT EARLY** – We strongly recommend that you do not wait until the last day to submit your application. Grants.gov will put a date/time stamp on your application and then process it after it is fully uploaded. The time it takes to upload an application will vary depending on a number of factors including the size of the application and the speed of your Internet connection, and the time it takes Grants.gov to process the application will vary as well. If Grants.gov rejects your application (see step three below), you will need to resubmit successfully before 4:30:00 p.m. Washington, DC time on the deadline date.

Note: To submit successfully, you must provide the DUNS number on your application that was used when your organization registered with the CCR (Central Contractor Registry).

- 3) **VERIFY SUBMISSION IS OK** – You will want to verify that Grants.gov and the Department of Education receive your Grants.gov submission timely and that it was validated successfully. To see the date/time your application was received, login to Grants.gov and click on the Track My Application link. For a successful submission, the date/time received should be earlier than 4:30:00 p.m. Washington, DC time, on the deadline date, AND the application status should be: Validated, Received by Agency, or Agency Tracking Number Assigned.

If the date/time received is later than 4:30:00 p.m. Washington, D.C. time, on the deadline date, your application is late. If your application has a status of “Received” it is still awaiting validation by Grants.gov. Once validation is complete, the status will either change to “Validated” or “Rejected with Errors.” If the status is “Rejected with Errors,” your application has not been received successfully. Some of the reasons Grants.gov may reject an application can be found on the Grants.gov site: http://www.grants.gov/applicants/applicant_faqs.jsp#54. For more detailed information on why an application may be rejected, you can review Application Error Tips <http://www.grants.gov/section910/ApplicationErrorTips.pdf>. If you discover your application is late or has been rejected, please see the instructions below. Note: You will receive a series of confirmations both online and via e-mail about the status of your application. Please do not rely solely on e-mail to confirm whether your application has been received timely and validated successfully.

SUBMISSION PROBLEMS – WHAT SHOULD YOU DO?

If you have problems submitting to Grants.gov before the closing date, please contact Grants.gov Customer Support at 1-800-518-4726 or <http://www.grants.gov/contactus/contactus.jsp>, or use the customer support available on the Web site: http://www.grants.gov/applicants/applicant_help.jsp.

If electronic submission is optional and you have problems that you are unable to resolve before the deadline date and time for electronic applications, please follow the transmittal instructions for hard copy applications in the Federal Register notice and get a hard copy application postmarked by midnight on the deadline date.

If electronic submission is required, you must submit an electronic application before 4:30:00 p.m., unless you follow the procedures in the Federal Register notice and qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. (See the Federal Register notice for detailed instructions.)

HELPFUL HINTS WHEN WORKING WITH GRANTS.GOV

Please note, once you download an application from Grants.gov, you will be working offline and saving data on your computer. Please be sure to note where you are saving the Grants.gov file on your computer. You will need to logon to Grants.gov to upload and submit the application. **You must provide on your application the DUNS number that was used when your organization registered with the CCR.**

Please go to http://www.grants.gov/applicants/applicant_help.jsp for help with Grants.gov. For additional tips related to submitting grant applications, please refer to the Grants.gov Submit Application FAQs found on the Grants.gov http://www.grants.gov/help/submit_application_faqs.jsp.

DIAL-UP INTERNET CONNECTIONS

*When using a dial up connection to upload and submit your application, it can take significantly longer than when you are connected to the Internet with a high-speed connection, e.g. cable modem/DSL/T1. While times will vary depending upon the size of your application, it can take a few minutes to a few hours to complete your grant submission using a dial up connection. **If you do not have access to a high-speed connection and electronic submission is required, you may want to consider following the instructions in the Federal Register notice to obtain an exception to the electronic submission requirement no later than two weeks before the application deadline date.** (See the Federal Register notice for detailed instructions.)*

MAC USERS

If you do not have a Windows operating System, you may need to use the Citrix solution discussed on Grants.gov to submit an application using Grants.gov. For additional information, review the FAQs for non-windows users http://www.grants.gov/help/download_software.jsp. **If electronic submission is required and you are concerned about your ability to submit electronically as a non-windows user, please follow instructions in the Federal Register notice to obtain an exception to the electronic submission requirement no later than two weeks before the application deadline date.** (See the Federal Register notice for detailed instructions.)

Attaching Files – Additional Tips

Please note the following tips related to attaching files to your application:

1. Ensure that you only attach the Education approved file types detailed in the Federal Register application notice (.doc, .pdf or .rtf). Also, do not upload any password protected files to your application.
2. Grants.gov cannot process an application that includes two or more files that have the same name within a grant submission. Therefore, each file uploaded to your application package should have a unique file name.
3. When attaching files, applicants should limit the size of their file names. Lengthy file names could result in difficulties with opening and processing your application. We recommend you keep your file names to less than 50 characters. In addition, applicants should avoid including special characters in their file names (for example, %, *, /, etc.) Both of these conditions (lengthy file names and/or special characters including in the file names) could result in difficulties opening and processing a submitted application.
4. Applicants should limit the size of their file attachments. Documents submitted that contain graphics and/or scanned material often greatly increase the size of the file attachments and can result in difficulties opening the files. For reference, the average discretionary grant application package totals 1 to 2 MB. Therefore, you may want to check the total size of your package before submission

Application Transmittal Instructions

ATTENTION ELECTRONIC APPLICANTS: Please note that you must follow the Application Procedures as described in the Federal Register notice announcing the grant competition. Some programs may require electronic submission of applications, and those programs will have specific requirements and waiver instructions in the Federal Register notice.

An original and two copies of an application for an award must be mailed or hand-delivered by the application deadline date unless it is submitted electronically.

APPLICATIONS SUBMITTED ELECTRONICALLY

You must submit your grant application through the Internet using the software provided on the e-Grants Web site (<http://e-grants.ed.gov>) by 4:30 p.m. (Washington, DC time) on the application deadline date. The regular hours of operation of the e-Grants website are 6:00 a.m. Monday until 7:00 p.m. Wednesday; and 6:00 a.m. Thursday until midnight Saturday (Washington, DC time). Please note that the system is unavailable on Sundays, and after 7:00 p.m. on Wednesday for maintenance (Washington, DC time). Any modifications to these hours are posted on the e-Grants Web site.

If you submit your application through the Internet via the e-Grants Web site, you will receive an automatic acknowledgment when we receive your application.

PLEASE NOTE – NEW ELECTRONIC SUBMISSION POLICY

Electronic Submission is Required - As outlined in the Federal Register notice for this grant competition, applications must be submitted electronically. You must submit your application using the electronic application system designated in the Federal Register notice. (The notice will designate whether you will use e-Application or Grants.gov). You may not e-mail an electronic copy to us. We will reject your application if you submit it in paper format unless you qualify for one of the exceptions to the electronic submission requirement described below and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions.

Under mandatory submission, electronic applications must be received by 4:30 pm Washington, DC time on the application deadline date. Under this new policy, Education does not allow for any last minute waiver requests from applicants, which is a change from the previous policy for mandatory electronic submission. Consequently, we strongly encourage you to review the registration and submission procedures for the designated electronic application system right away. In addition, we strongly suggest that you do not wait until the deadline date to submit your application.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, by mail or hand delivery, if you are unable to submit an application through the electronic application system designated in the Federal Register notice because—

- You do not have access to the Internet; or
 - You do not have the capacity to upload large documents to the system;
- and
- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date. (Please follow the fax instructions found in the Federal Register notice for this competition. Also, your paper application must be submitted in accordance with the mail or hand delivery instructions also described in the Federal Register notice for this grant competition.)

For detailed information on the electronic submission requirement for this competition, please refer to the Federal Register notice.

SECTION G
Instructions for Application for Federal Assistance

REHABILITATION SERVICES ADMINISTRATION

INSTRUCTIONS FOR AN APPLICATION FOR FEDERAL ASSISTANCE (Nonconstruction Programs)

The enclosed forms shall be used by all applicants for Federal Assistance under all Rehabilitation Services Administration programs. A separate application must be submitted for each grant sought. No grant may be awarded unless the completed application forms have been received. If an item does not appear to be relevant to the assistance requested, write "NA" for not applicable.

This application consists of four parts. These parts are organized in the same manner that the submitted application should be organized. These parts are as follows:

- Part I** - Federal Assistance Application Face Page
- Part II** - Budget Information
- Part III** - Program Narrative
- Part IV** - Assurances, Certifications and Disclosures

The following statement must be included in this section of your general application instructions and information document:

Electronic submission requires that narratives and other files be attached to the following attachment forms as per the instruction in this document such as:

- **One Page Abstract must be attached to the “Department of Education Abstract Form”**
- **Program Narratives must be attached to the “Program Narrative Attachment Form”**
- **Budget Narratives must be attached to the “Budget Narrative Attachment Form”**
- **All vitas, table of contents, letters, certifications, supplementary statements; and other requested appendices must be attached to the “Other Attachment Form”**

NOTE: Please do not attach any narratives, supporting files, or application components to the Standard Form (SF 424). Although this form accepts attachments, the Department of Education will only review materials/files attached to the attachment forms listed above.

Each submitted application must include an index or table of contents and a one-page project abstract. Pages should be consecutively numbered.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 1820-0018. The time required to complete this information collection is estimated to average 40 hours per response, including the time to review instructions, search existing data resources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

Under terms of the Paperwork Reduction Act of 1980, as amended, and the regulations implementing that Act, the Department of Education invites comment on the public reporting burden in this collection of information. You may send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Education, Information Management and Compliance Division, Washington, D.C. 20202-4651; and to the Office of Management and Budget, Paperwork Reduction Project 1820-0018, Washington, D.C. 20503.

SECTION G
Part III

PROGRAM NARRATIVE

A narrative that addresses the selection criteria that will be used by reviewers in evaluating individual proposals is required. Applications are more likely to receive favorable reviews by panels when they are organized according to the format suggested below. If you prefer to use a different format, you may wish to cross-reference the section of your application to the selection criteria to be sure that reviewers are able to find all relevant information.

Include an abstract with your application. This abstract should be an overview statement (not more than a one page abstract) that summarizes the mission, goals and objectives, the target population and service area, the impact, and the expected outcomes or benefits of the project. Please make this a separate page so it may be pulled from the application to include with funding recommendation documents.

Prepare a Program Narrative in accordance with the following instructions. Before preparing the Program Narrative, applicants should carefully review the program regulations contained in 34 CFR 366, paying special attention to the selection criteria listed in 34 CFR 366.27. The Program Narrative must respond to the emphasis in the selection criteria identified in the program regulations; however, applicants should address the criteria in the same order as they appear in this section.

In addition, applicants should read the applicable parts of the Education Department General Administrative Regulations (EDGAR), 34 CFR. These regulations set forth all general rules affecting application submittal, review, grant award, and post-award administration for Department of Education grant programs.

Note: Applicants should refer back to the “Dear Applicant” letter. It cites the appropriate sections of the program regulations and the applicable parts of EDGAR.

Since applications may need to be duplicated for distribution to reviewers, printed material should be legible, appear only on one side of each page, and be single-spaced (double space program narrative). To ensure that printed material is legible, the use of a high quality printer, with a 10 pitch or larger typeface, in the preparation of your application is strongly urged. Use standard 8 x 11-inch paper, white in color¹, and free from tabs. Also, use spring clips or rubber bands to hold the application together. Do not use binders, folders, and staples as they must be removed before duplicating applications.

Please limit the Program Narrative to 35 pages, double-spaced in 12-point font, and number pages consecutively. The narrative should be written concisely. Only the required information should be submitted. If appendices or other supplemental materials are included, they must be kept to a minimum and must substantiate what is proposed in the narrative, e.g., the results of a needs survey or letters of commitment from organizations that will have significant involvement with the project. All vitae should be limited to one page in length showing the source and date of earned degrees, experience relevant to working the individuals who are disabled and the person’s direct relationship to the project, e.g., how the person will function in the project.

To facilitate application review, it may be helpful to the success of your application if the Program Narrative responds to the selection criteria in the following order²:

(A) Extent of the need for the project (20 points)

(1) The Secretary reviews each application for persuasive evidence that shows the extent to which the project meets the specific needs for the program, including considerations of –

(I) The needs addressed by the project;

(II) How the applicant identified those needs (e.g., whether from census data or other current sources);

(III) How those needs will be met by the project; and

(IV) The benefits to be gained by meeting those needs.

¹ If colored sheets are mixed in among white sheets, the application cannot be put into recycling.

² **NOTE THAT THE ORDER IN WHICH CRITERIA SHOULD BE ADDRESSED IN THE PROGRAM NARRATIVE IS NOT THE SAME ORDER THAT THEY APPEAR IN THE REGULATIONS.**

(2) The Secretary looks for information that shows that the need for the center has been established based on an assessment of the ability of existing programs and facilities to meet the need for IL services of individuals with significant disabilities in the geographic area to be served.

(3) The Secretary looks for information that shows –

(I) That the applicant proposes to establish a new center to serve a priority service area that is identified in the current State plan; and

(II) The priority that the State has placed on establishing a new center in this proposed service area.

Note: It is important for the applicant to note that this criterion is in two parts: (1) the needs addressed by the project, how the applicant identified the needs, how the needs will be met by the center, and the benefits to be gained; and (2) if the applicant is planning to serve an area identified in the State IL plan as a priority area, the applicant should provide information showing that the service area comes within a SPIL priority and what priority the State has placed on the particular area to be served. If a statement from the State is included in Section J of this application package, the applicant may wish to note that fact in the application.

(B) Past performance (5 points)

The Secretary reviews each application for information that shows the past performance of the applicant in successfully providing services comparable to the IL core services and other IL services listed in section 7(29) and (30) of the Act and 34 CFR 364.4(b) and other services that empower individuals with significant disabilities.

Note: The IL core services are information and referral, IL skills training, peer counseling, including cross-disability peer counseling, and individual and systems advocacy.

(C) Meeting the standards and the assurances (25 points)

The Secretary reviews each application for information that shows –

(1) Evidence of demonstrated success in satisfying, or a clearly defined plan to satisfy, the standards in section 725(b) of the Act and the indicators in 34 CFR 366, Subpart G (366.60 – 366.63).

(2) Convincing evidence of demonstrated success in satisfying, or a clearly defined plan to satisfy, the assurances in section 725(c) of the Act and 34 CFR Part 366.50.

Note: In addressing the plan of operation and meeting the standards and assurances criteria, the applicant should develop a three-year workplan meeting the requirements of section 725(c)(4) of the Act. **Only the first year of the plan needs to be submitted with this application.** In developing the workplan, it may be helpful for the applicant to review the standards and assurances in 34 CFR Subparts F and G (see Section E). The workplan should be specific and measurable so that, at the end of each project year, the center can compare its achievements against its projected goals. *For example:*

(i) Goals and activities. Include long term goals and specific activities planned to meet the requirements of each of the standards in section 725 of the Act, and the indicators in 34 CFR Part 366, Subpart G.

(ii) Advocacy. Include details of how the center plans to achieve its social change goals, including, but not limited to:

(a) A community advocacy plan and related activities;

(b) A technical assistance plan and related activities;

(c) A plan for collaboration with other agencies and groups to further communication, coordination, and cooperation along with related activities; and

(d) Affirmative action plans.

(iii) Resource development. Include the center's goals and activities for obtaining and increasing funding (including in-kind) from sources other than Title VII of the Act.

(iv) Outreach. Describe the center's plan for outreach to consumers who are members of populations of individuals with significant disabilities, including minorities, who are unserved or underserved.

(v) Community and individual IL service needs. Identify the community and individual IL services the center anticipates providing, and how services will be coordinated with other service providers to avoid duplication. Ensure that the intended services are consistent with the approved State plan in the State in which the center plans to provide services.

(vi) Response to needs. Include in the work plan, if appropriate, how the center plans to respond to particular needs identified from needs assessments or surveys or potential consumers in the intended service area.

(vii) Training. Include plans for training governing board, employees, volunteers, and consumers, e.g., staff development, IL philosophy, ADA, self-advocacy and personal power.

(D) Quality of key personnel (10 points)

(1) The Secretary reviews each application for information that shows the qualifications of the key personnel the applicant plans to use on the project, including –

(I) The qualifications of the project director, if one is to be used;

(II) The qualifications of each of the other management and decision-making personnel to be used in the project;

(III) The time that each person referred to in paragraphs (D)(1)(I) and (II) of this section will commit to the project;

(IV) How the applicant, as part of its nondiscriminatory employment practices, will ensure that its personnel are selected for employment without regard to race, color, national origin, gender, age, or disability; and

(V) The extent to which the applicant, as part of its nondiscriminatory employment practices, encourages applications for employment from persons who are members of groups that have been traditionally under-represented, including –

(A) Members of racial or the ethnic minority groups;

(B) Women

(C) Persons with disabilities; and

(D) Elderly individuals.

(2) To determine personnel qualifications under paragraphs (d) (1) (I) and (ii) of this section, the Secretary considers –

(I) Experience and training in fields related to the objectives of the project; and

(II) Any other qualifications that pertain to the objectives of the project.

Note: This section should identify the person (**or a recruitment plan for the person if individuals are not named**) being proposed for each position presented in the management plan and the time commitment allocated to the position. Each person's qualifications should be presented in a manner that shows a clear relationship to the selection criteria for that designated position. This section should also describe procedures for encouraging applicants for employment from persons who are members of groups that have been traditionally underrepresented such as members of racial or ethnic minority groups, women, persons with disabilities, and the elderly. Finally, a full disclosure of all time commitments should be included for each person listed in the application. The application should include information to show how the center will meet the

requirements that over 50% of the decision makers and over 50% of the staff of the center must be individuals with disabilities; and over 50% of the governing board must be individuals with significant disabilities.

(E) Budget and cost effectiveness (10 points)

The Secretary reviews each application for information that shows the extent to which –

- (1) The budget is adequate to support the project; and
- (2) Costs are reasonable in relation to the objectives of the project.

Note: In addressing this criterion and in developing the budget for the center, consideration should be given to the relationship between the budget and the plan of operation, e.g., is the budget adequate or inadequate in view of what the applicant proposes to do. **The budget submittal covers the full five years of the projects. See Part III – Budget Information.**

(F) Evaluation plan (5 points)

The Secretary reviews each application for information that shows the quality of the evaluation plan for the project, including the extent to which the applicant's methods of evaluation –

- (1) Are appropriate for the project;
- (2) Will determine how successful the project is in meeting its goals and objectives; and
- (3) Are objective and produce data that are quantifiable.
(Cross-reference: See 34 CFR 75.590)

Note: The section of the application should describe procedures to assure that the project's activities are being implemented appropriately and the project objectives are being met. The evaluation plan should include the self-evaluation required by section 725(c)(8) of the Act and 34 CFR 366, Subpart G (See footnote 3).

(G) Plan of operation (20 points)

The Secretary reviews each application for information that shows the quality of the plan of operation for the project, including

- (1) The quality of the design of the project;
- (2) The extent to which the plan of management ensures proper and efficient administration of the project;
- (3) How well the objectives of the project relate to the purpose of the program;
- (4) The quality and adequacy of the applicant's plan to use its resources (including funding, facilities, equipment, and supplies) and personnel to achieve each objective;
- (5) How the applicant will ensure that project participants who are otherwise eligible to participate are selected without regard to race, color, national origin, gender, age, or disability; and
- (6) A clear description of how the applicant will provide equal access to services for eligible project participants who are members of groups that have been traditionally under-represented, including –
 - (I) Members of racial or ethnic minority groups;
 - (II) Women;
 - (III) Elderly individuals; and
 - (IV) Children and youth.

Note: When addressing this criterion, please consider the note following paragraph (d) of this section.

(H) Involvement of individuals with significant disabilities (5 points)

- (1) The Secretary reviews each application for information that shows that individuals with significant disabilities are appropriately involved in the development of the application.
- (2) The Secretary looks for information that shows that individuals with significant disabilities or their parents, guardians, or other legally authorized advocates or representatives, as appropriate, will be substantially involved in planning, policy direction, and management of the center, and, to the greatest extent possible, that individuals with significant disabilities will be employed by the center.

Note: This criterion should address how individuals with disabilities were involved in the development of the concept of a center in the area to be served; how their input was obtained and considered in identifying the unmet needs and the scope of services necessary to meet the needs, development of the plan of operation, identification and selection of key personnel or the plan to obtain personnel to govern and operate a center; how potential consumers of services from the proposed center will be involved in development of management policies, the scope and provision of services; and how such individuals were involved in the development of the grant application.

NOTICE TO ALL APPLICANTS

The purpose of this enclosure is to inform you about a new provision in the Department of Education's General Education Provisions Act (GEPA) that applies to applicants for new grant awards under Department programs. This provision is Section 427 of GEPA, enacted as part of the Improving America's Schools Act of 1994 (Public Law (P.L.) 103-382).

To Whom Does This Provision Apply?

Section 427 of GEPA affects applicants for new grant awards under this program. **ALL APPLICANTS FOR NEW AWARDS MUST INCLUDE INFORMATION IN THEIR APPLICATIONS TO ADDRESS THIS NEW PROVISION IN ORDER TO RECEIVE FUNDING UNDER THIS PROGRAM.**

(If this program is a State-formula grant program, a State needs to provide this description only for projects or activities that it carries out with funds reserved for State-level uses. In addition, local school districts or other eligible applicants that apply to the State for funding need to provide this description in their applications to the State for funding. The State would be responsible for ensuring that the school district or other local entity has submitted a sufficient section 427 statement as described below.)

What Does This Provision Require?

Section 427 requires each applicant for funds (other than an individual person) to include in its application a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its Federally-assisted program for students, teachers, and other program beneficiaries with special needs. This provision allows applicants discretion in developing the required description. The statute highlights six types of barriers that can impede equitable access or participation: gender, race, national origin, color, disability, or age. Based on local circumstances, you should determine whether these or other barriers may prevent your students, teachers, etc. from such access or participation in, the Federally-funded project or activity. The description in your application of steps to be taken to overcome these barriers need not be lengthy; you may provide a clear and succinct description of how you plan to address those barriers that are applicable to your circumstances. In addition, the information may be provided in a single narrative, or, if appropriate, may be discussed in connection with related topics in the application.

Section 427 is not intended to duplicate the requirements of civil rights statutes, but rather to ensure that, in designing their projects, applicants for Federal funds address equity concerns that may affect the ability of certain potential beneficiaries to fully participate in the project and to achieve to high standards. Consistent with program requirements and its approved application, an applicant may use the Federal funds awarded to it to eliminate barriers it identifies.

What are Examples of How an Applicant Might Satisfy the Requirement of This Provision?

The following examples may help illustrate how an applicant may comply with Section 427.

- (1) An applicant that proposes to carry out an adult literacy project serving, among others, adults with limited English proficiency, might describe in its application how it intends to distribute a brochure about the proposed project to such potential participants in their native language.
- (2) An applicant that proposes to develop instructional materials for classroom use might describe how it will make the materials available on audio tape or in braille for students who are blind.
- (3) An applicant that proposes to carry out a model science program for secondary students and is concerned that girls may be less likely than boys to enroll in the course, might indicate how it intends to conduct "outreach" efforts to girls, to encourage their enrollment.

We recognize that many applicants may already be implementing effective steps to ensure equity of access and participation in their grant programs, and we appreciate your cooperation in responding to the requirements of this provision.

GRANTS

Applicants for grants from the U.S. Department of Education (ED) have to compete for limited funds. Deadlines assure all applicants that they will be treated fairly and equally, without last minute haste. For these reasons, ED must set strict deadlines for grant applications. Prospective applicants can avoid disappointment if they understand that:

Failure to meet a deadline will mean that an applicant will be rejected without any consideration.

The rules, including the deadline, for applying for each grant are published, individually, in the Federal Register. A one-year subscription to the Register may be obtained by sending \$555.00 to: Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402-9371. (Send check or money order only, no cash or stamps.) In addition, the Federal Register is available on-line for free on Government Printing Office (GPO) Access: <http://www.gpoaccess.gov/fr/index.html>. Depository Library location and Federal Register services: <http://www.archives.gov/>.

The instructions in the Federal Register must be followed exactly. Do not accept any other advice you may receive. No ED employee is authorized to extend any deadline published in the Register. All of ED's RFP's are now available on-line for downloading at the following url: <http://www.ed.gov/fund/contract/apply/currfp.html>.

Offerors are advised to be guided solely by the contents of the CBD synopsis and the instructions contained in the RFP. Offers are judged in competition with others, and failure to conform with any substantive requirements of the RFP will result in rejection of the offer without any consideration whatever.

Do not accept any advice you receive that is contrary to instructions contained in either the CBD synopsis or the RFP. No ED employee is authorized to consider a proposal which is non-responsive to the RFP. A subscription to the CBD is available for \$208.00 per year via second class mailing or \$261.00 per year via first class mailing. ED FORM 5348, ¾

NOTICE TO ALL APPLICANTS:
The Government Performance and Results Act (GPRA)
WHAT IS GPRA?

The Government Performance and Results Act (GPRA) of 1993 is a straightforward statute that requires all Federal agencies to manage their activities with attention to the consequences of those activities. Each agency is to clearly state what intends to accomplish, identify the resources required, and periodically report their progress to the Congress. In doing so, it is expected that GPRA will contribute to improvements in accountability for the expenditures of public funds, improve Congressional decision-making through more objective information on the effectiveness of Federal programs, and promote a new government focus on results, service delivery, and customer satisfaction.

How has the United States Department of Education Responded to the GPRA Requirements?

As required by GPRA, the United States Department of Education (the Department) has prepared a strategic plan for 1998-2002. This plan reflects the Department's priorities and integrates them with its mission and program authorities and describes how the Department will work to improve education for all children and adults in the United States. The Department's goals, as listed in the plan, are:

- Goal 1:** Help all students reach challenging academic standards so that they are prepared for responsible citizenship, further learning, and productive employment.
- Goal 2:** Build a solid foundation for learning for all children.
- Goal 3:** Ensure access to postsecondary education and lifelong learning.
- Goal 4:** Make the United States Department of Education a high performance organization by focusing on results, service quality, and customer satisfaction.

Estimated Burden Statement for GEPA Requirements

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is **1890-0007**. The time required to complete this information collection is estimated to average 1.5 hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. **If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to:** Director, Grants Policy and Oversight Staff, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4250.

SECTION I
COMMON QUESTIONS AND ANSWERS

COMMON QUESTIONS AND ANSWERS

Below are some examples of Q's & A's that programs may include in their application booklets. Programs may want to add others. Generally speaking, Q's & A's should not repeat information that is given elsewhere in the application. However, there may be exceptions to this "rule of thumb." Q's & A's should not be subregulatory and should not take the place of instructions.

Q. What happens to my application after it is received in the Department?

A. The Department's Application Control Center receives each application, assigns each an identifying number (PR/Award number), confirms receipt of applications, and sends the applications to the appropriate program office, which screens them for eligibility. The program conducts a peer review of all eligible applications sent to a program competition, ranks them and recommends the highest ranked applications for funding with exceptions as provided by law. The responsible official for the applicable program reviews the program office's recommendations, checks the adequacy of the documentation supporting the recommendations, and approves a final list, or slate, of recommended projects and funding amounts. RSA Training Division staff discuss the recommendations with the successful applicants and awards the grants.

Q. What happens to my application if the Department finds it to be ineligible?

A. The Department immediately returns an application that does not meet the eligibility criteria for the particular program. A letter from the Department explaining why it is not being reviewed in the competition accompanies the application.

Q. How does the Department review an application?

A. Each application is assessed by knowledgeable persons from outside and sometimes inside the Department who are asked for their judgments about the quality and significance of the proposed project. These persons represent a diversity of disciplines and institutional, regional, and cultural backgrounds. The advice of these experts is compiled by Departmental staff that comment on matters of fact or on significant issues that would otherwise be missing from the review. The results are then presented to the responsible official responsible for the program who approves the recommendations for funding.

Q. What Criteria do the reviewers use when scoring an application?

A. Reviewers score each application using the selection criteria published in the Federal Register as part of the program regulations, which are given in Section F of this application package. Reviewers are instructed to use only the published criteria.

Q. Is a recommended application guaranteed funding?

A. No. Funding is not final until discussions have been successfully concluded and a grant award notification has been signed by the grants office and mailed to the applicant.

Q. How long does it take the Department to complete the review process?

A. Most review processes take from four to six months.

Q. How does the *invitational*, *competitive* and *absolute* priorities differ?

✓ **Invitational Priority**

The Secretary may simply invite applicants to meet a priority. However, an application that addresses invitational priorities receives no competitive or absolute preference over applications that do not meet this priority.

✓ **Competitive Priority**

If a program uses weighted selection criteria, the Secretary may award selection points to an application that meets the priority. These points are in addition to any points the application earns under the selection criteria. The notice states the maximum number of additional points that the Secretary may award to applications that meet the priority in a particularly effective way. Or the Secretary may simply select applications that meet the competitive priority over applications of comparable merit that do not meet the priority.

✓ **Absolute Priority**

Under an absolute priority, the Secretary may select for funding only those Applications that meets the priority.

Q. Can changes in the size of subsequent year awards be made after the multi-year budget has been negotiated?

A. Yes, a grantee can renegotiate his or her multi-year budget and may be awarded additional funds if sufficient justification is presented to the Secretary and funds are available. Also, funds can be decreased if it is determined that the multi-year budget was overestimated.

Q. How will funding continuation decisions be made if the Department is phasing out the use of non-competing continuation applications after fiscal year 1995?

A. Grantees will be required to complete annual performance reports that describe the projects' accomplishments, evaluations, and finances. These performance reports, along with other information, will be used by the Department to decide whether to continue funding projects.

Section J

**NOTICE REGARDING EXECUTIVE ORDER 12372
AND
LISTING OF STATE SINGLE POINT OF CONTACT**

Intergovernmental Review of Federal Programs

This appendix applies to each program that is subject to the requirements of Executive Order 12372 (Intergovernmental Review of Federal Programs) and the regulations in 34 CFR part 79.

The objective of the Executive order is to foster an intergovernmental partnership and to strengthen federalism by relying on State and local processes for State and local government coordination and review of proposed Federal financial assistance.

Applicants must contact the appropriate State Single Point of Contact to find out about, and to comply with, the State's process under Executive Order 12372. Applicants proposing to perform activities in more than one State should immediately contact the Single Point of Contact for each of those States and follow the procedure established in each of those States under the Executive order. A listing containing the Single Point of Contact for each State is included in this appendix.

In States that have not established a process or chosen a program for review, State, areawide, regional, and local entities may submit comments directly to the Department.

Any State Process Recommendation and other comments submitted by a State Single Point of Contact and any comments from State, areawide, regional, and local entities must be mailed or hand-delivered by the date indicated in the actual application notice to the following address: The Secretary, EO 12372--CFDA# [commenter must insert number--including suffix letter, if any], U.S. Department of Education, room 7W301, 400 Maryland Avenue, SW., Washington, DC 20202.

Proof of mailing will be determined on the same basis as applications (see 34 CFR 75.102). Recommendations or comments may be hand-delivered until 4:30 p.m. (Washington, DC time) on the date indicated in the actual application notice.

PLEASE NOTE THAT THE ABOVE ADDRESS IS NOT THE SAME ADDRESS AS THE ONE TO WHICH THE APPLICANT SUBMITS ITS COMPLETED APPLICATION. DO NOT SEND APPLICATIONS TO THE ABOVE ADDRESS.

STATE SINGLE POINTS OF CONTACT (SPOCs)

It is estimated that in 2004 the Federal Government will outlay \$400 billion in grants to State and local governments. Executive Order 12372, "Intergovernmental Review of Federal Programs," was issued with the desire to foster the intergovernmental partnership and strengthen federalism by relying on State and local processes for the coordination and review of proposed Federal financial assistance and direct Federal development. The Order allows each State to designate an entity to perform this function. Below is the official list of those entities. For those States that have a home page for their designated entity, a direct link has been provided on the official version: <http://www.whitehouse.gov/omb/grants/spoc.html>.

States that are not listed on this page have chosen not to participate in the intergovernmental review process, and therefore do not have a SPOC. If you are located within one of these States, you may still send application materials directly to a Federal awarding agency.

Contact information for Federal agencies that award grants can be found in [The Catalog of Federal Domestic Assistance Catalog Contents Page](#). You can access Appendix IV by Agency [http://12.46.245.173/CFDA/appx4_web.pdf] or by State [http://12.46.245.173/CFDA/appx4_web_state.pdf].

Survey on Ensuring Equal Opportunity for Applicants

OMB No. 1890-0014 Exp. 02/28/09

Purpose: The Federal government is committed to ensuring that all qualified applicants, small or large, non-religious or faith-based, have an equal opportunity to compete for Federal funding. In order for us to better understand the population of applicants for Federal funds, we are asking nonprofit private organizations (not including private universities) to fill out this survey.

Upon receipt, the survey will be separated from the application. Information provided on the survey will not be considered in any way in making funding decisions and will not be included in the Federal grants database. While your help in this data collection process is greatly appreciated, completion of this survey is voluntary.

INSTRUCTIONS FOR SUBMITTING THE SURVEY: IF YOU ARE APPLYING USING A HARD COPY APPLICATION, PLEASE PLACE THE COMPLETED SURVEY IN AN ENVELOPE LABELED "APPLICANT SURVEY." Paperwork Burden Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1890-0014. The time required to complete this information collection is estimated to average five (5) minutes per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. **If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to:** The Agency Contact listed in this grant application package.

Program Application Indirect Cost Instructions

The Department of Education (ED) reimburses grantees for its portion of indirect costs that a grantee incurs. Any grantee charging indirect costs to a grant from this program must use the indirect cost rate (ICR), negotiated with its *cognizant agency*, i.e., either the Federal agency from which it has received the most direct funding, subject to indirect cost support, the particular agency specifically assigned cognizance by the Office of Management and Budget or the State agency that provides the most subgrant funds to the grantee.

Note: Applicants should pay special attention to specific questions on the application budget form (ED 524) about their cognizant agency and the ICR they are using in their budget.

If an applicant selected for funding under this program has not already established a current ICR with its cognizant agency as a result of current or previous funding, ED will require it to do so within 90 days after the date the grant was issued by ED. Applicants should be aware that ED is very often *not* the cognizant agency for its own grantees. Rather, ED accepts, for the purpose of funding its awards, the current ICR established by the appropriate cognizant agency.

An applicant that has not previously established an indirect cost rate with the Federal government or a State agency under a Federal program and that is selected for funding will not be allowed to charge its grant for indirect costs until it has negotiated a current indirect cost rate agreement with its cognizant agency.

Applicants are encouraged to use their accountant (or CPA) to calculate an indirect cost rate using information in the IRS Form 990, audited financial statements, actual cost data or a *cost policy statement* that such applicants are urged to prepare (but NOT submit to ED) during the application process.

Applicants should use this proposed rate in their application materials and indicate which of the above methods was used to calculate the rate. Guidance for creating a cost policy statement can be obtained by sending an e-mail to katrina.mcdonald@ed.gov.

Applicants with questions about using indirect cost rates under this program should contact the program contact person shown elsewhere in this application package or in the *Federal Register* application notice of MM/DD/YYYY, (FILL IN FED REG CITE HERE).

DUNS NUMBER INSTRUCTIONS

DUNS NUMBER INSTRUCTIONS

D-U-N-S No.:

Please provide the applicant's D-U--N-S Number. You can obtain your D-U-N-S Number at not charge by calling **1-800-333-0505** or by completing a D-U-N-S Number Request Form. The form can be obtained via the Internet at the following URL:

<http://www.dnb.com/dbis/about/intlduns.htm>

The D-U-N-S Number is a unique nine-digit number that does not convey any information about the recipient. A built in check digit helps assure the accuracy of the D-U-N-S Number. The ninth digit of each number is the check digit, which is mathematically related to the other digits. It lets computer systems determine if a D-U-N-S Number has been entered correctly.

DUN & Bradstreet, a global information services provider, has assigned D-U-N-S number to over 43 million companies worldwide.
